# Welcome to the Northern Colorado Truck Driving Academy

For over two decades, NCTDA has been the only school to provide Colorado and Wyoming with the smallest class ratios and one-on-one driving with experienced instructors.

Our graduates have access to local, OTR, LTL, oil, energy, sanitation, municipalities, and construction CDL opportunities. Our referrals have been screened by NCTDA to provide you with the most a CMV career has to offer.

NCTDA's training has an impressive 97% success rate and we are excited to offer our graduates job placement assistance with companies offering incomes earning \$70-90k annually with benefits, starting out.

NCTDA has the tools, instruction and wealth of connections you need to start a successful career in the thriving CDL industry.

## SERVICES OFFERED\*

### EVALUATIONS – \$20

Spend 20 minutes with one of our experienced trainers in your vehicle or ours to determine the level of training you might require.

### CDL TESTING – \$275

To schedule a CDL test in the state of Colorado, you must have your medical DOT exam card/certificate, your CDL permit with the correct endorsements, and a valid Colorado drivers license. And finally, you must have state required training certifications for entry level training for the CDL test you are taking.

Please check all expiration dates on the credentials mentioned above. If any have expired or been voided, or you forget to bring your permit, license and medical DOT certificate to your test, we cannot test you.

**Colorado CDL Compliance requires applicants to bring their plastic permit to the CDL test.** If you have not received it from the DMV within 10 days, go back to the DMV to re-apply.

### CDL RENTAL & TEST – \$550 *A \$125 non-refundable deposit is required.*

You will have access to the test site for one hour before the test to get familiar with the vehicle.

### 1-on-1 TRAINING (3hr min.) – \$190/hr

Want to brush up on your driving before the test? This training requires previous experience CDL driving, a medical DOT exam certificate, and a permit.

### ENTRY LEVEL 160hr CDL A COURSE – \$5,320

Start a new career and begin earning a rewarding income! This Entry Level CDL A Course requires a \$500 deposit, medical DOT exam certificate, and drug screen for enrollment.

Local, OTR, LTL, oil, construction, and sanitation CDL positions and many others are available to graduates at the end of this course.

### 24hr CDL MANUAL COURSE – \$2,900

Need to lose the Manual (E) restriction?

This course requires an existing CDL, permit, and medical DOT exam certificate to enroll. One-on-one training with our vehicle and one of our experienced instructors is provided.

### 24hr CDL B COURSE – \$2,900

Want a CDL B license or need to get a CDL B with a Passenger or School Bus endorsement?

This course requires a drivers license, permit, medical DOT exam certificate and online theory training completion. 24 hours of one-on-one training with our vehicle and one of our experienced instructors is provided.

### 10hr CDL A REFRESHER – \$1,845

Want to re-instate your CDL or get a refresher?

This course requires previous CDL A driving experience, a drivers license, permit, and a medical DOT exam certificate. 10 hours of one-on-one training with our vehicle and one of our experienced instructors is provided.
